

What is Medicaid Migration™ ?

Medicaid Migration™ is a BeneStream service that saves companies money and provides quality coverage for employees by moving eligible workers onto Medicaid.

How Medicaid Migration™ Works

BeneStream's Medicaid Migration™ Enrollment Professionals screen and enroll new and existing employees onto Medicaid with a proven, customizable process.

Who Qualifies for Medicaid?

Medicaid is now available to qualified employees who earn \$33,500/year or less and live in Medicaid expansion states. 20 million working Americans are now eligible for Medicaid.

Background

The Affordable Care Act's (ACA) new Medicaid expansion was designed to benefit companies and employees.

Medicaid Migration™ maximizes the ACA benefit, using Medicaid expansion to complete Employer Sponsored Healthcare Packages.

The New Medicaid Covers Employees Across the U.S.

Qualified Businesses for Medicaid Migration™

Businesses with a substantial workforce making under \$33,500.

Businesses with operations in Medicaid expansion states.

Businesses where the lower-income participation rate is 20% or more.

50% - 500%
ROI

Qualified businesses realize 50% - 500% returns on investment.

Win-Win-Win

Medicaid Migration™ results in satisfied employers, employees, and families.
